# ONE ITE SYSTEM THREE COLLEGES

---

ITE is run as *One ITE System, Three Colleges*, comprising the ITE Headquarters and its three Colleges, namely, ITE College Central, ITE College East and ITE College West. ITE is the principal provider of technical education in Singapore. Its system of technical education and training comprises:

- Full-Time Education
- Part-Time Education
- Industry-Based Training
- National-level Certification and Standards
- International Collaborations

At the core, ITE offers secondary school leavers full-time courses in Engineering, Business & Services, Info-Comm Technology and Applied & Health Sciences, leading to the National ITE Certificate or *Nitec* qualification. ITE also offers skills renewal programmes to its graduates and working adults through various training modes – regular Part-Time, Fast Track, Top-Up Certification and *Post-Nitec* – and provides Industry-Based Training in support of the workforce.

A statutory board and a post-secondary institution of the Ministry of Education set up in 1992, ITE develops national-level Certification and Standards for industry. Its national certifications are well recognised and accepted by local industries of diverse sectors, such as manufacturing, biotechnology & pharmaceutical, hospitality and healthcare.
