How To: Take ITE Student Feedback Survey in eTutor

The screenshot shows the eTutor Learning System interface for a survey. The top navigation bar includes 'Home', 'Learning', 'Community', 'Resources', and 'Tutorial'. The user is logged in as 'JACK'. The survey title is 'Survey' and the last date to participate is '13/09/2010'. The survey details state: 'This survey is to collect feedback from the students on the course.' The first question is: 'Q1 The teacher presents lessons in a manner that is easy to understand.' The response options are: 'Strongly Agree', 'Agree', 'Disagree', and 'Strongly Disagree'. A callout box labeled 'Step 10' points to the 'Strongly Agree' radio button with the text 'Click to choose your response'. A second callout box labeled 'Step 11' points to the scroll bar on the right with the text 'Scroll down to see the questions'. The second question is: 'Q10 Any other comments you would like the teacher to know.' Below this is a text input field. A callout box labeled 'Step 12' points to this field with the text 'Answer all the questions'. The third question is: 'Q11 Training equipment in the classrooms / labs / workshops is available and working time (NOT air-conditioners and furniture).' The response options are: 'Strongly Agree', 'Agree', 'Disagree', and 'Strongly Disagree'. A callout box labeled 'Step 13' points to the 'Send' button with the text 'Click on Send'. At the bottom of the survey are buttons for 'Save', 'Send', 'Reset', and 'Cancel'.
