ITE DIPLOMAS LEARN BEYOND THE BOX

ITE OFFERS DIPLOMAS!

We have **two** types of Diploma programmes: **Work-Study Diploma** and **Technical Diploma**

Our Diplomas fulfil the aspirations of our *Nitec* and *Higher Nitec* graduates for academic and career progression.

Students especially appreciate the **hands-on training mode** of these Diplomas, and our Diploma graduates enjoy **strong employment outcomes**, including the option to **further their studies** at local universities.

WHY ITE DIPLOMAS?

WORK-STUDY DIPLOMA (WSDIP)

- 2.5 or 3 years apprenticeship-based programme
- Curriculum co-designed with industry
- Earn a competitive starting salary and enjoy employee benefits
- Deepen skills through structured workplace learning and mentorship
- Get a fully-sponsored and nationally-recognised Diploma
- Opportunity for further academic progression

TECHNICAL DIPLOMA (TD)

- 2 or 2.5 years of full-time study
- Curriculum co-designed with leading international Vocational Training and Education institutions
- Overseas learning experience in France, Germany, Hong Kong or Switzerland (depending on the course of study)
- Jointly certified by ITE and the partner institution
- Opportunity for further academic progression

PROGRESSION PATHWAYS

TEDIPLOMAS VS PROGRAMME COMPARISON

	Work-Study Diploma	Technical Diploma	Full-Time Diploma	Part-Time Diploma	Work-Study Certificate Leading to a Part-Time Diploma
	n	E		POLYTECHNICS	
Duration	30 months	24 to 30 months	36 months	Up to 60 months	12 to 18 months (Work-Study Certificate)
Trainee Status	Full-time employee of sponsoring company (Males can get NS deferment*)	Full-time student (Males can get NS deferment*)	Full-time student (Males can get NS deferment*)	Part-time studentLikely with day job	Employee of participating company
Curriculum	 Curriculum jointly developed by ITE and industry 70% to 80% on-the-job training at company 20% to 30% off-the-job training at ITE 	 Curriculum co-designed with overseas education partners Overseas learning opportunities 	3 to 6 months of industry attachment	 5 CET modules taken in the evenings Non-alignment of learning and job (Requires 1 year of work experience) 	 Work-Study Certificate issued upon completion of required skills-based Modular Certificates (MCs) Upon completion of Work-Study Certificate programme, participants have the option to complete remaining MCs to obtain a Part-Time Diploma

* National Service (NS)-liable males will be granted NS deferment if they attain a place and are pursuing a course for higher academic qualifications from what they have previously attained (e.g. from *Nitec/Higher Nitec* to ITE Technical Engineer Diploma/Technical Diploma courses). NS deferment will no longer be subject to cut-off ages. For latest updates on NS deferment eligibility, please refer to https://for.edu.sg/ns-deferment.

WORK-STUDY DIPLOMA COURSES

OVERVIEW OF WORK-STUDY DIPLOMA

Over 40 WSDip Courses across 5 Sectors

WSDip gave me a **head start** for my chosen career path. I could **focus 100% on both work and studies** with my employer's full support. I am proof that the programme will **deepen your skills** for academic and career progression.

Through this WSDip programme, I learnt what Intellectual Disability (ID) is about and how to plan programmes for people with ID. This WSDip gives me a good head start, and has **trained me to be patient and determined**. After graduation next year, I hope to continue working in this sector, perhaps in a government agency or hospital setting.

WSDIP COURSES - INFORMATION & DIGITAL / ARTS, DESIGN & MEDIA

After graduating from my *Higher Nitec* course, I wanted to pursue a Diploma in a polytechnic. However, I knew it was not an option, because I needed to work and support myself. My ITE lecturer understood my situation and encouraged me to join the WSDip programme. It was ideal as it enabled me to work and study at the same time.

This WSDip programme has been truly transformative for my personal and professional growth. The supportive working environment empowered me to apply theoretical concepts directly in real-world situations. I received guidance from my colleagues that not only helped propel my academic growth, but also hone my soft skills in communication, teamwork and

problem-solving.

PRITIKA MONISHA D/O LOGANATHAN Therapy Support Associate, St Luke's ElderCare (WSDip Graduate in Rehabilitation Care)

OVER 9000

employers partnering ITE in offering WSDip Programmes

This work and learn model serves the healthcare setting very well because the trainees are able to apply their learning to the practice and continue to improve. We certainly hope to support more of our staff with this aspiration to further their training and advance their skills and knowledge, and we think that the WSDip at ITE is an excellent avenue.

MS TAN BEE YEE Director, Allied Health SingHealth Community Hospitals

SOME OF OUR VALUED WSDIP PARTNERS

WORK-STUDY DIPLOMA ELIGIBLITY & APPLICATIONS

ITE Work-Study Diploma Entry Requirements

Nitec Graduate **Minimum GPA of 2.0**

From relevant feeder courses only

Higher Nitec Graduate

No minimum GPA requirement

From relevant feeder courses only

Be successfully employed full-time by a partner company to be enrolled into the WSDip programme

By co-designing the curriculum with ITE, it enables us to incorporate real life examples and industry experience into a structured module to be taught in the classroom. This enables immediate application into the working environment when they begin their journey with us. The experience and theory they gain within the classroom prepares them to be assimilated into their new working environment.

MR LEE HSIN CHONG Managing Director BNL Group of Companies

15 Oct – 15 Nov Submit Online Application

Check website for latest updates and application details.

https://www.ite.edu.sg/admissions/work-studydiploma

STEP

Nov – Feb

Attend Interviews

Applicants will apply to partners with resume. Shortlisted candidates will be contacted for interviews.

STEP Mid Feb – Mar

Matriculation

*Company may request to start employment earlier, ahead of April course commencement.

STEP

Early April Course Commencement

Details will be shared accordingly with matriculated WSDip Trainees.

Successfully-placed trainees will receive \$5,000 sign-on incentive!

To be eligible for the SkillsFuture Work-Study Diploma sign-on incentive, one must:

- Be a Singapore Citizen
- Be an ITE graduate from a relevant Full-Time course or with an Operationally Ready Date (ORD) from NS within 36 months of the course start date
- NOT be a BCA-Industry Built Environment ITE Scholarship Recipient

Work-Study Diploma graduates will receive \$10,000 CPF Ordinary Account top-up

ITE PROGRESSION AWARD

To be eligible for the ITE Progression Award, one must:

• Be a Singaporean ITE graduate, aged 30 and below, who pursues a diploma qualification issued by an MOE-funded institution from 2024.

For more information:

- Institute of Technical Education (ITE) Progression Award (IPA) | MOE
- <u>https://www.ite.edu.sg/docs/default-source/work-study-diploma-docs/ite-progression-award.pdf</u>

WORK-STUDY DIPLOMA FREQUENTLY ASKED QUESTONS

What is the difference between ITE's WSDip and Poly's Work-Study Certificate Leading to a Diploma?

ITE WSDip:

ITE's WSDip is an undisrupted learning journey from start to end. At the end of the ITE WSDip programme, WSDip trainees will obtain a nationally-recognised Diploma.

WSDip trainees are full-time employees of a WSDip partner company and can expect a stable income, employee benefits and full course fee sponsorship.

Work-Study Certificate (WSCert):

The part-time WSCert programme offered by polytechnics will not lead directly to a part-time Diploma.

During the 12 to 18 months WSCert programme, participants who complete the required 3 Modular Certificates will attain a Work-Study Certificate.

Upon completion of the WSCert programme, participants will have to complete 2 more Modular Certificates on their own before obtaining a Part-Time Diploma.

Who are the WSDip partner companies and how are they selected?

These companies are selected based on their ability and commitment to providing quality workplace training and meaningful career development opportunities for WSDip trainees. Partners come from various sectors and include MNCs, SMEs, Voluntary Welfare Organisations and Statutory Boards.

Will WSDip trainees be bonded to their employers? If yes, how long is it?

Most companies do not impose bond periods after the WSDip. If they do, bond requirements will be made known to applicants beforehand. To date, where there are bonds, the bond periods imposed by companies vary between 1.5 and 2 years.

Can fresh *Nitec/Higher Nitec* graduates get deferment from NS to pursue WSDip first?

Yes. Males liable for National Service (NS) will be granted NS deferment if they attain a place in the WSDip programme, regardless of age.

Can *Nitec/Higher Nitec* students of non-feeder courses qualify for WSDip courses that they really like?

Discretionary admission can be considered and is subject to approval. Such cases of admission must be supported by the employer. To ensure that applicants can cope with the rigour of the course, ITE will also conduct our assessments on applicants.

Applicants from non-relevant courses will not be eligible for the SkillsFuture Singapore (SSG) sign-on incentive, even if they are within 36 months of graduation or completion of NS.

How will WSDip trainees be assessed in the course?

WSDip trainees will be assessed on their OJT and off-the-job training performance. The off-the-job component may include incourse assessments and end-of-module written examinations. OJT competencies are assessed by company mentors throughout the programme.

Can WSDip graduates apply to local universities and post-diploma programmes?

Upon fulfilling specific admission requirements, WSDip graduates can apply for:

- Full-time or Part-time Degree programmes at Nanyang Technological University (NTU), National University of Singapore (NUS), Singapore Institute of Technology (SIT), Singapore University of Social Sciences (SUSS), Singapore University of Technology and Design (SUTD), and University of the Arts Singapore (UAS).
- **Post-Diploma** programmes at Nanyang Polytechnic (NYP), Ngee Ann Polytechnic (NP), Republic Polytechnic (RP), Singapore Polytechnic (SP), and Temasek Polytechnic (TP).

TECHNICAL DIPLOMA COURSES

OVERVIEW OF TECHNICAL DIPLOMA

8 TD Courses in 2 Sectors

The TED in Electrical Engineering (Clean Energy) is **relevant** for those with a keen interest in the energy sector. It provides the knowledge and skills for relevant areas such as solar PV systems, battery energy storage systems, and smart grids. It also **opens the career pathway** for graduates to become a licensed electrical technician, allowing one to **impact** the way we power our world safely.

TECHNICAL DIPLOMA FREQUENTLY ASKED QUESTIONS

Will males liable for National Service (NS) be granted NS deferment if they attain a place in the TD programme?

National Service (NS)-liable males will be granted NS deferment if they attain a place and are pursuing a course for higher academic qualifications from what they have previously attained (e.g. from *Nitec/Higher Nitec* to ITE Technical Engineer Diploma/Technical Diploma courses). NS deferment will no longer be subject to cut-off ages. For latest updates on NS deferment eligibility, please refer to https://for.edu.sg/ns-deferment.

What are the academic progression opportunities for TD graduates?

Course	Pathways
Automotive Engineering / Machine Technology	Eligible to apply for admission to related Bachelor of Technology Programmes in NUS, SIT and the Universities of Applied Sciences in Germany.
Beauty & Wellness Management	Opportunity to pursue internationally-recognised industry certifications or apply for admission to related Degree Programmes in overseas universities.
Civil & Structural Engineering	Eligible to apply for admission to related Degree Programmes in SIT, SUSS, and overseas universities.
Culinary Arts with Restaurant Management	Opportunity to pursue the Bachelor's degree in Institut Lyfe, France, and complete it in one year.
Electrical Engineering (Clean Energy)	Eligible to apply for admission to related Degree Programmes in SIT, SUSS, and the Universities of Applied Sciences in Germany.
Health & Exercise Coaching	Eligible to apply for admission to related Degree Programmes in SIT, SUSS, and overseas universities.
Hospitality & Hotel Management	Opportunity to pursue the Bachelor of Science in International Hospitality Management, offered by EHL either in Singapore or Switzerland.

For all the above courses: Applicants are required to meet the minimum entry requirements specified for the course, as stipulated by the respective universities for admission.
