Early Admissions Exercise (EAE)

Are you taking your
Nitec final exams this year?

Are you **interested and
passionate** about progressing
to a *Higher Nitec* course
at ITE?

If you are, you can
apply for the
**ITE Early Admissions
Exercise!**

What is ITE EAE?

ITE Early Admissions Exercise (EAE) allows you to apply for *Higher Nitec* courses based on your **aptitude** and **interests**, and receive a conditional offer for admission to ITE.

Who is it for?

ITE EAE (2024 intake) is for you if you are:

- ITE Full-Time and Traineeship students who are in the final year of their *Nitec* course in 2023; and
- ITE Full-Time and Traineeship *Nitec* course graduates

Your conditional offer will be automatically confirmed if your final *Nitec* GPA (inclusive of CCA bonus points) meets the Minimum Entry Requirements (MER) of the *Higher Nitec* course applied. If your ITE EAE offer is confirmed, you will **not** be eligible to participate in the 2024 *Nitec* Progression to *Higher Nitec* Intake Exercise (NCHN).
