ITE COLLEGES:

CC-AM: ITE College Central   CE-SM: ITE College East   CW-CK: ITE College West

---

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via https://for.edu.sg/ecg.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via https://for.edu.sg/LAO before selecting their choice of application.

Notes:

① Applicants who are applying for the following courses: **Aerospace Machining Technology; Asian Culinary Arts; Beauty & Wellness; Digital Animation; Floristry; Hair Fashion & Design; Pastry & Baking; Product Design; Rapid Transit Technology; Visual Communication; and Western Culinary Arts** that are offered under Aptitude-Based Admissions are strongly encouraged to seek course counselling at the Colleges offering these courses during the application period so as to understand the course requirements. Shortlisted applicants will be required to attend **<u>one interview</u>** to assess their suitability for the course. Shortlisted applicants who are not successful at course interview will be considered for their **<u>remaining choices without interview</u>** based on merit and choice. Priority in selection will be given to **<u>first-choice applicants</u>** based on their results for these courses. **Applicants applying for these courses are advised to indicate them as their first choice**. For all other courses, selection will be by merit and choice based on the results of applicants. <u>Applicants who are keen in courses with interview are encouraged to apply for a mix of courses with interview and courses without interview in their choices to maximise their chance of posting.</u>

② In line with industry requirements, applicants for the following courses must ensure that they are free from colour appreciation deficiency: **Automotive Technology; Built Environment; Digital Animation; Electrical Technology; Electronics Engineering; Mechatronics & Robotics; Product Design; Rapid Transit Technology; Security System Integration; Urban Greenery & Landscape; and Visual Communication**. Colour vision test will be conducted for applicants enrolled into these courses. Colour Vision Test is available online at https://colormax.org/color-blind-test/ and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.

③ Successful students will be required to purchase Training Materials (which will cost about $400 for Beauty & Wellness, $300 for Asian Culinary Arts and $300 for Western Culinary Arts) for the 2-year courses. This is in addition to the course fees. Financial assistance is available to eligible students, subject to terms and conditions. Students can keep their materials at the end of the course.

④ For all courses:

    (I)   The 3-year *Higher Nitec* courses comprise 3 months of Industry Attachment in Year 2 and 6 months of Industry Attachment in Year 3. The 2-year *Nitec* courses comprise 3 or 6 months of Industry Attachment.

    (II)   As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions.
