

Entry Requirements for Progression of ITE Graduates to Full-Time *Higher Nitec*/Technical Engineer Diploma (TED) Courses for Apr 2020 Intake

Applicable to *Nitec* graduates attaining the following ITE qualifications:

- *Nitec* in Aerospace Machining Technology
- *Nitec* in Digital & Precision Engineering
- *Nitec* in Laser & Tooling Technology
- *Nitec* in Machine Technology
- *Nitec* in Medical Manufacturing Technology
- *Nitec* in Precision Engineering (Aerospace)
- *Nitec* in Precision Engineering (Injection Mould)
- *Nitec* in Precision Engineering (Machining)
- *Nitec* in Precision Engineering (Press Tool)
- *Nitec* in Precision Engineering (Tool & Mould)

To be eligible and be considered for admission to the various ITE courses, you must achieve the minimum **NET** Grade Point Average (GPA) (including CCA bonus points) in your *Nitec* course for the different *Higher Nitec*/TED course durations (where applicable) as shown in **Table 1** and **Table 2** below.

Some *Higher Nitec*/TED courses also have additional prerequisites, in addition to the course entry requirements. You must fulfil the additional prerequisites to be considered for the relevant courses. Please refer to the footnotes, if any, for the additional prerequisites.

The intake exercises for *Higher Nitec* and TED courses are conducted separately.

Admission into the courses of your choice is based on merit and subject to the availability of vacancies. Depending on your progression eligibility, you can apply for 1-year or 2-year or both 1-year and 2-year *Higher Nitec* courses in your application choices.

Table 1 - Eligibility Criteria For Admission To TED Courses

ITE Course	Course Code	Offered By	Min GPA		Refer to footnote
			2 Years of Full-Time Training		
Technical Engineer Diploma in Machine Technology	FDMCT	CC-AM	3.0		a
Technical Engineer Diploma in Automotive Engineering	FDAUE	CW-CK	3.0		b,4

Footnotes:

a

This course is open to Singapore Citizens only. Shortlisted applicants will be required to attend an interview and pass an aptitude test for admission.

b

This course is open to Singapore Citizens only. Applicants must have at least 2 years of relevant work experience in automotive after-sales (may include occupations relating to vehicle mechanics or technicians and customer service advisors) prior to applying. Shortlisted applicants will be required to attend an interview and pass an aptitude test for admission.

1

In line with industry requirements, applicants applying for these courses must ensure that they are free from colour appreciation deficiency. Colour Vision Test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at <https://colormax.org/color-blind-test/> and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you have colour appreciation deficiency.

2

Priority in selection for these courses will be given to **first-choice applicants** based on their results. **Applicants applying for these courses are recommended to indicate them as their first choice.** Shortlisted applicants will be required to attend **an interview (which may include a test)** to assess their suitability for the course. Applicants who are unsuccessful at the interview will be considered for their **remaining choices without interview** based on merit and choice. For all other courses, based on the result of applicants, selection will be by merit and choice.

These courses comprise of an Industry Attachment component. For details, please click [here](#).

4

These courses require students to purchase a learning device. For details, please click [here](#).

5

In line with industry requirements, applicants applying for this course must ensure that they are free from acrophobia.

6

Applicants applying for *Higher Nitec* in Early Childhood Education must also:

- Have obtained Grade 1 or 2 for GCE 'N' (Academic) English Language, OR Grade A1 to C6 for GCE 'O' Level English Language;
- Pass a pre-admission medical examination. In addition, to ensure the well-being and safety of children, the Early Childhood Development Agency (ECDA) requires all pre-school staff to be certified medically fit to work with young children. More details on the medical examination can be found at <http://bit.ly/NIECmedical>; and
- *Nitec* progression students who enroll in *Higher Nitec* in Early Childhood Education, without Grade A1 to C6 for GCE 'O' Level English Language (C6L1), are required to obtain C6L1 or alternatives for English Language upon graduation before they could be granted L1 Educator status. For details, please click [here](#).

The *Higher Nitec* in Early Childhood Education is awarded by the National Institute of Early Childhood Development (NIEC) in collaboration with Institute of Technical Education.
