

Entry Requirements for Progression of ITE Graduates to Full-Time *Higher Nitec* Courses for Apr 2021 Intake

Applicable to *Nitec* graduates attaining the following ITE qualification:

- *Nitec* in Architectural Technology
- *Nitec* in Space Design (Architecture)

To be eligible and be considered for admission to the various ITE courses, you must achieve the minimum **NET** Grade Point Average (GPA) (including CCA bonus points) in your *Nitec* course for the different *Higher Nitec* course durations (where applicable) as shown in **Table 1** below.

Some *Higher Nitec* courses also have additional prerequisites, in addition to the course entry requirements. You must fulfil the additional prerequisites to be considered for the relevant courses. Please refer to the footnotes, if any, for the additional prerequisites.

Admission into the courses of your choice is based on merit and subject to the availability of vacancies. Depending on your progression eligibility, you can apply for 1-year or 2-year or both 1-year and 2-year *Higher Nitec* courses in your application choices.

1

Priority in selection for these courses will be given to **first-choice applicants** based on their results. **Applicants applying for these courses are recommended to indicate them as their first choice.** Shortlisted applicants will be required to attend **an interview (which may include a test)** to assess their suitability for the course. Applicants who are unsuccessful at the interview will be considered for their **remaining choices which do not require interview for admission** based on merit and choice. For all other courses, based on the result of applicants, selection will be by merit and choice.

The following courses will conduct **online** interview:

- Beauty & Wellness Management
- Interactive Design
- Pastry & Baking
- Culinary Arts
- Leisure & Travel Operations
- Sport Management
- Early Childhood Education
- Motion Graphics
- Visual Effects
- Hospitality Operations
- Paramedic & Emergency Care
- Visual Merchandising

Microsoft Teams is the platform that will be used for the **online** interview, and is available at <https://www.microsoft.com/en-sg/microsoft-365/microsoft-teams/download-app>. If you are applying for the above courses, please install the Microsoft Teams app on your device (e.g. laptop, PC, smartphone etc.) before the interview, and ensure that the front-facing camera and microphone permissions are enabled for the app. If you are shortlisted for interview, the interview invitation and details will be emailed to you. Please **update your email address during application**.

2

In line with industry requirements, applicants applying for these courses must ensure that they are free from colour appreciation deficiency. Colour Vision Test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at <https://colormax.org/color-blind-test/> and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.

- Pass a pre-admission medical examination. In addition, to ensure the well-being and safety of children, the Early Childhood Development Agency (ECDA) requires all pre-school staff to be certified medically fit to work with young children. More details on the medical examination can be found at <http://bit.ly/NIECmedical>; and
- *Nitec* progression students who enroll in *Higher Nitec* in Early Childhood Education, without Grade A1 to C6 for GCE 'O' Level English Language (C6L1), are required to obtain C6L1 or alternatives for English Language upon graduation before they could be granted L1 Educator status. For details, please click [here](#).

The *Higher Nitec* in Early Childhood Education is awarded by the National Institute of Early Childhood Development (NIEC) in collaboration with Institute of Technical Education.

4

In line with industry requirements, applicants applying for this course must ensure that they are free from acrophobia.

5

These courses are offered at ITE College East instead of ITE College Central with effect from 2021 intake.

6

Successful students will be required to purchase a learning device. This is in addition to the course fees. The device specifications will be advised by the College upon admission. Financial assistance is available to eligible students under ITE Opportunity Fund subject to terms and conditions. For details, please click [here](#).

7

For all courses:

- (I) All *Higher Nitec* courses comprise 3 or 6 months of Industry Attachment, except for Paramedic & Emergency Care which comprises 8 months of Industry Attachment.
- (II) As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions.
