

Entry Requirements for Progression of ITE Graduates to Full-Time *Higher Nitec* Courses for Apr 2022 Intake

Applicable to *Nitec* graduates attaining the following ITE qualification:

- Nitec in Electrical Technology (Lighting & Sound)

To be eligible and be considered for admission to the various ITE courses, you must achieve the minimum **NET** Grade Point Average (GPA) (including CCA bonus points) in your *Nitec* course for the different *Higher Nitec* course durations (where applicable) as shown in **Table 1** below.

Some *Higher Nitec* courses also have additional prerequisites, in addition to the course entry requirements. You must fulfil the additional prerequisites to be considered for the relevant courses. Please refer to the footnotes, if any, for the additional prerequisites.

Admission into the courses of your choice is based on merit and subject to the availability of vacancies. Depending on your progression eligibility, you can apply for 1-year or 2-year or both 1-year and 2-year *Higher Nitec* courses in your application choices.

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via https://for.edu.sg/ecg.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via https://for.edu.sg/LAO before selecting their choice of application.

Footnotes:

.

Priority in selection for these courses will be given to <u>first-choice applicants</u> based on their results. **Applicants applying for these courses are recommended to indicate them as their first choice**. Shortlisted applicants will be required to attend <u>an interview</u> (which may include a test) to assess their suitability for the course. Applicants who are unsuccessful at the interview will be considered for their <u>remaining choices which do not require interview for admission</u> based on merit and choice. For all other courses, based on the result of applicants, selection will be by merit and choice.

The following courses will conduct online interview:

- Architectural Technology
- Beauty & Wellness Management
- Culinary Arts
- Early Childhood Education
- Hospitality Operations
- Interactive Design
- Leisure & Travel Operations
- Motion Graphics
- Paramedic & Emergency Care
- Pastry & Baking

- Sport Management
- Visual Effects
- Visual Merchandising

Microsoft Teams is the platform that will be used for the <u>online</u> interview, and is available at https://www.microsoft.com/en-sg/microsoft-365/microsoft-teams/download-app. If you are applying for the above courses, please install the Microsoft Teams app on your device (e.g. laptop, PC, smartphone etc.) before the interview, and ensure that the front-facing camera and microphone permissions are enabled for the app. If you are shortlisted for interview, the interview invitation and details will be emailed to you. Please **update your email address during application**.

2

In line with industry requirements, applicants applying for these courses must ensure that they are free from colour appreciation deficiency. Colour Vision Test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at https://colormax.org/color-blind-test/ and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.

Entry Requirements for Progression of ITE Graduates to Full-Time *Higher Nitec* Courses for Apr 2022 Intake

3

Applicants applying for this course have to pass a pre-admission medical examination.

4

Applicants applying for *Higher Nitec* in Early Childhood Education must also:

- Have obtained a Grade 1 to 3 for GCE 'N' (Academic) English Language, OR Grade A1 to C6 for GCE 'O' Level English Language, OR *an English Language Acceptable Alternative (ELAA) recognised by ECDA:
- Pass a pre-admission medical examination. In addition, to ensure the well-being and safety of children, the Early Childhood Development Agency (ECDA) requires all pre-school staff to be certified medically fit to work with young children. More details on the medical examination can be found at http://bit.ly/NIECmedical; and
- Nitec graduates who enroll in the Higher Nitec in Early Childhood Education course, with Grade 1, 2 or 3 for GCE 'N'
 (Academic) English Language only, without Grade A1 to C6 for GCE 'O' Level English Language (C6L1), are
 required to obtain C6L1 OR any of the *ELAA, upon graduation before being certified as a Level 1 (L1) Early
 Childhood Teacher. For details, please click here.
- * The list of ELAA can be found at ECDA website https://www.ecda.gov.sg.

The *Higher Nitec* in Early Childhood Education is awarded by the National Institute of Early Childhood Development (NIEC) in collaboration with Institute of Technical Education.

5

In line with industry requirements, applicants applying for this course must ensure that they are free from acrophobia.

6

For all courses:

- (I) All *Higher Nitec* courses comprise 3 or 6 months of Industry Attachment, except for Paramedic & Emergency Care which comprises 8 months of Industry Attachment.
- (II) As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions.

7

Nitec in Electrical Technology (Lighting & Sound) graduates who enrol in this *Nitec* course before Jan 2019 intake and applying for the 1-year *Higher Nitec* in Electrical Engineering course must also have passed the listed *Nitec* bridging module.

| Nitec Course | | 1-Year Higher Nitec Course | Nitec Bridging Module | | |
