

# **NITEC IN BEAUTY & WELLNESS**

---

## **MODULE OBJECTIVES**

### **Core Modules**

#### **Salon Procedures**

On completion of the module, students should be able to maintain good hygiene practices, perform salon reception activities, maintain clients' records, handle payments, perform inventory control, display and promote salon merchandise and services, assist in handling accidents and emergencies, and perform general housekeeping.

#### **Make-up Applications**

On completion of the module, students should be able to provide different types of make-up, including cosmetic camouflage make-up.

#### **Basic Facial Treatments**

On completion of the module, students should be able to provide basic facial treatment, shape eyebrows, and perform head, neck, and décolleté and shoulder massage.

#### **Manicure and Pedicure**

On completion of the module, students should be able to provide manicure, pedicure service, hand and foot massage, and paraffin hand and foot treatment.

#### **Customer Service in the Salon**

On completion of the module, students should be able to display professional business etiquette, interact with customers and colleagues, cultivate rapport with customers, manage customers' needs and expectations, provide service recovery, and obtain customer feedback.

#### **Aesthetic Therapy**

On completion of the module, students should be able to provide advanced facial treatments, provide high frequency treatment, and provide waxing for facial and body hair removal.

#### **Massage Therapy**

On completion of the module, students should be able to provide seated chair massage, Swedish massage and hot stone massage.

#### **Spa Treatments**

On completion of the module, students should be able to provide body scrub, mask and wrap treatment, thermal and hydrotherapy treatments.

#### **On-The-Job Training I**

On completion of the module, trainees should be able to apply and integrate Year 1 skills and knowledge acquired at ITE Approved Training Centres, and further develop competencies at the workplace.

#### **On-The-Job Training II**

On completion of the module, trainees should be able to apply and integrate Year 2 skills and knowledge acquired at ITE Approved Training Centres, and further develop competencies at the workplace.
