MODULE OBJECTIVES

Core Modules

Shampoo & Head Massage

On completion of this module, students should be able to perform shampooing at basin, seated shampoo, massage scalp, neck and shoulder, and towel dry hair.

Makeup 1

On completion of this module, students should be able to provide day, evening, and camouflage makeup.

Basic Hair Colouring 1

On completion of this module, students should be able to colour virgin hair.

Basic Nailcare

On completion of this module, students should be able to perform manicure and pedicure service, and provide hand and foot massage.

Communication for Salon Business

On completion of this module, students should be able to apply essential communications skills to build professional relationships, carry out reception duties, consultation service and prepare workplace documents.

Basic Hair Upstyles

On completion of this module, students should be able to perform upstyles.

Blow-dry & Styling

On completion of this module, students should be able to blow-dry various lengths of hair.

Basic Facial Treatment 1

On completion of this module, students should be able to provide basic facial treatment and shape eyebrows.

Social Media Marketing

On completion of this module, students should be able to prepare and execute e-marketing plans on social media platforms.

Customer Service & Selling

On completion of this module, students should be able to manage customer's needs, wants, expectations and feedback, promote products and services, and provide service recovery to customers.

Salon Operations & Management

On completion of this module, students should be able to handle and supervise the daily operation of a salon.

Haircut 1

On completion of this module, students should be able to perform blunt haircuts.

Hair Perming Techniques

On completion of this module, students should be able to perform hair perming and digital perm.

Haircut 2

On completion of this module, students should be able to perform layered haircuts.

Makeup 2

On completion of this module, students should be able to provide bridal, stage and photography makeup.

Basic Hair Colouring 2

On completion of this module, students should be able to perform grey hair coverage and colour regrowth hair.

Advanced Hair Colouring 1

On completion of this module, students should be able to perform highlighting or lowlighting of hair.

Advanced Hair Colouring 2

On completion of this module, students should be able to perform bleaching and toning of hair.

Hair & Scalp Care

On completion of this module, students should be able to analyse and treat hair and scalp problems, and recommend follow-up actions.

Industry Attachment

On completion of this module, students should be able to apply the skills and knowledge acquired to take on a range of job scope at the company.

Cross Disciplinary Core Modules

Smartphone Portraiture

On completion of this module, students should be able to capture captivating portraits using smartphones, leveraging on the capabilities of their smartphones to create professional-quality portraits, mastering composition, lighting, posing, and editing techniques.

Event Planning

On completion of this module, students should be able to conceptualise, plan and execute a wide range of events.

Electives (Course Specific)

Graduated Haircut

On completion of this module, students should be able to perform graduated haircuts to achieve smooth and stylish effects.

Combination Haircut

On completion of this module, students should be able to create various forms and effects by combining all the essential haircutting concepts and techniques

Basic Makeup

On completion of this module, students should be able to provide day and evening makeup.

Hair Updo

On completion of this module, students should be able to create formal and casual updos for different occasions.

Rebonding

On completion of this module, students should be able to chemically straighten curly or wavy hair.
