THE FUTURE STARTS FROM WITHIN
Fancy a school where learning is NEVER boring? Where your classroom could be in a hangar with a Boeing 737 aircraft, or in a hotel and restaurant? At ITE, it is possible!

Choose from over 100 courses at our three state-of-the-art Colleges! These courses are grouped into schools - Applied & Health Sciences, Business & Services, Design & Media, Electronics & Info-Comm Technology, Engineering and Hospitality.

At ITE, we provide students with a Hands-on, Minds-on, Hearts-on™ education. With 70% practical training and 30% theoretical lessons, we will equip you with the essential skills to excel in the digital world. As we prepare you for the future, we will also provide you with important life skills, so that you will be career-ready, life-ready and world-ready. After all, your future starts with you!
ITE also has 3-Year Nitec courses with Enhanced Nitec Foundation Programme (eNFP):

- Offered to N(T) students with 0 or 1 GCE 'N' Level pass.

The available 3-Year eNFP courses are:

- Nitec in Built Environment (Mechanical & Electrical Services) offered at ITE College West
- Nitec in Mechanical Technology offered at ITE College Central
- Nitec in Retail Services offered at ITE College Central and ITE College West

1 Nitec and Higher Nitec programmes are available in Traineeship mode. More information on Traineeship programme can be found on page 28.

**EARLY ADMISSIONS EXERCISE**

Do you have a talent or passion for a course in ITE? Secure your place in ITE before your ‘N’ or ‘O’ Level exams, through an aptitude and interest-based ITE Early Admissions Exercise (EAE)!

**EAE Selection Criteria**

A. Submit a 100-word write-up on...
- Why do you want to apply for the course?
- How are your talents/skills relevant to the course?

B. Submit your portfolio...
- Provide proof (certificates/achievements/sample works) of your skills

C. Excel in your interview

**EAE Application Process**

1. Application – Students who are keen can submit their applications in May 2020 at www.ite.edu.sg
2. Selection – Shortlisted applicants will have to undergo interviews and/or aptitude tests.
3. Offer & Acceptance – Conditional offers will be given to successful applicants. Applicants who accept the offer within a specified period will get a place in ITE as long as they meet the minimum entry requirements (MERs) of the course.

Got a Question on EAE? Call 1800 2222 111 or email training@ite.edu.sg to find out more.

AMIR HAMZAH BIN BAKAR
Nitec in Aerospace Avionics
ITE College Central

I was in NCC (Air) and I took up enrichment programmes in Aerodynamics in secondary school. My passion in aeroplanes helps me to gain a place at ITE through the Early Admissions Exercise.
All successful applicants will go through a 10-week preparatory course starting in January 2021. Upon completion of this course, students will join ITE’s April 2021 intake for the Higher Nitec course they are enrolled in.

To get direct admission to a related diploma course at one of the Polytechnics, you will be required to meet the qualifying criteria:

<table>
<thead>
<tr>
<th>Applied Sciences / Engineering / Info-Communications Technology</th>
<th>Business &amp; Services</th>
<th>Higher Nitec Courses</th>
<th>Progress to 1st Year in relevant Polytechnic Diploma Course</th>
<th>Progress to 2nd Year in relevant Polytechnic Diploma course</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

Application Process

1. Receive GCE ‘N’ Level results.
2. Application period: 5 calendar days starting from 2:30pm on the 1st day of GCE ‘N’ Level results release until 5pm on the last day of application.
3. Check application results and decide whether to accept the offer (refer to ITE website for course acceptance period).
4. Successful applicants to report to your posted College to register for your course and make payment for first term school fees.
5. Start your 10-week preparatory course in January and embark on your Higher Nitec course in April.

I applied for DPP because I prefer a hands-on learning that will help me progress to the Polytechnics. I make many good friends here and I must say it is fun to study at ITE.

KENNICE WONG
Higher Nitec in Mechatronics Engineering
ITE College West

Calling all Sec 4N(A) students! Get a guaranteed* place at Polytechnics under ITE’s Direct Entry Scheme to Polytechnic Programme (DPP)!

There are 18 full-time Higher Nitec courses under DPP.

To apply, you will need to meet the Minimum Entry Requirements (MER):

**ELMAB3 (English, Mathematics, best 3 subjects) - 19 points or less (excluding CCA bonus points)**

For Higher Nitec courses in Applied Sciences, Engineering or Info-Communications Technology, in addition to the qualifying GPAs, students are required to take up and pass a Mathematics elective at ITE to be eligible for articulation into Polytechnic courses under DPP. GCE ‘N’ (Academic) holders with at least a grade C in GCE ‘O’ Level Mathematics will be exempted from this requirement.

* CCA grades will be used for computing the students’ net GPA at ITE for selection and posting to a Polytechnic Diploma course.

* DPP students who successfully complete the Higher Nitec courses and attain the minimum qualifying Higher Nitec Grade Point Average (GPA) scores are guaranteed a place in the 1st Year relevant Polytechnic Diploma courses that are mapped to their Higher Nitec course. Students who meet the minimum qualifying GPA for 2nd Year entry are not guaranteed admission into Year 2 of one of the mapped courses. Admission is based on merit, subject to vacancies in the courses.

*Admission to DPP is based on merit.
Deepen and gain mastery of your skills with ITE’s Work-Study Diploma (WSDip). ITE offers 24 apprenticeship-based WSDip courses to both fresh and in-employment ITE graduates.

Comprising 70% On-the-Job training with participating companies and 30% institutional training, the WSDip adopts a practice-based curriculum to prepare trainees for promising careers.

What are the Benefits?

• Earn as You Learn
• Get a fully-sponsored and recognised Diploma
• Learn industry-relevant skills
• Obtain valuable work experience with career advancement
• Enjoy Staff Benefits and a Monthly Salary
• Sign-on Incentive of $5,000* 

Who can Apply?

Fresh and in-employment ITE graduates who are Singapore Citizens or Permanent Residents with the following:

• A relevant Nitec with a Grade Point Average (GPA) score of at least 2.0; or
• A relevant Higher Nitec; or
• Any Nitec/Higher Nitec with relevant work experience and support from their employers*
• Non-ITE graduates with relevant work experience and strong employer** endorsement will also be considered.

* For fresh ITE graduates from relevant feeder courses, who are Singapore Citizens and within three years of their graduation or Operationally Ready Date. Terms and conditions apply.

** Employers must be ITE partners in the Work-Study Diploma programme

I chose WSDip for a few reasons: Firstly, I am sponsored by the company; secondly, I don’t just study, I get actual job experience; and thirdly, I get a competitive salary during the course of study.

BRYAN TEE
Work-Study Diploma in Data Centre Infrastructure & Operation
Equinix Singapore Pte Ltd
Let your career take flight with an internationally recognised Technical Diploma at ITE! ITE offers three full-time Technical Diplomas to Nitec and Higher Nitec graduates. These internationally-recognised Diplomas are offered in collaboration with renowned institutions in Germany and France!

Technical Diploma in Culinary Arts
Master the necessary skills and expertise to set up and operate a restaurant, manage its culinary operations, dinner events, purchasing, sales and F&B budget. Conduct R&D to introduce new menus and concepts for a French restaurant set-up. Graduates of the Diploma course will also have an opportunity to study for a Dual Bachelor’s Degree in International Hotel and Restaurant Management at Institut Paul Bocuse.

Conducted by ITE in partnership with world-renowned French culinary and hospitality institution, Institut Paul Bocuse.

Technical Engineer Diploma in Automotive Engineering
Pick up comprehensive skills and knowledge in analysing and resolving complex technical problems associated with motor vehicles, managing workshop maintenance and repair services, rendering technical advice and providing workshop services to motorists. Graduates of the Technical Engineer Diploma (TED) in Automotive Engineering course will be eligible to apply for admission to the related NUS Bachelor of Technology Programmes (subject to meeting specific entry requirements) and relevant Universities of Applied Sciences in Germany.

Offered in collaboration with the Ministry of Education, Youth and Sports (MEYS), Baden-Württemberg, Germany and conducted by ITE in partnership with our prestigious partner institution, Carl-Benz-Schule, Gaggenau, Germany.

Technical Engineer Diploma in Machine Technology
Get equipped with a wide-range of skills and knowledge in the area of machine equipment design and building, including making, assembling, testing and commissioning in the field of precision engineering. Graduates of the TED in Machine Technology course will be eligible to apply for admission to the related NUS Bachelor of Technology Programmes (subject to meeting specific entry requirements) and the Universities of Applied Sciences in Germany.

Offered in collaboration with the Ministry of Education, Youth and Sports (MEYS), Baden-Württemberg, Germany and conducted by ITE in partnership with our prestigious partner institution, Gottlieb-Daimler-Schule 1, Sindelfingen, Germany.

The ITE Technical Diploma in Culinary Arts gave me invaluable skills and knowledge that enabled me to handle the pressure and thrive in the fast-paced environment in a kitchen. I am now a full-time Sous Chef at Elfuego.

CHIA JIN FANG
Elfuego
Sous Chef
Applicants are required to go for interviews and/or admission tests.
Applicants are required to pass a pre-admission medical exam.
In line with industry requirements, applicants must ensure that they do not have colour appreciation deficiency.

Become world-ready with ITE through our Global Education Programme (GEP). Students are offered opportunities to widen their horizons and enhance their global perspectives in multicultural economies across 25 countries/regions around the world!
Get an attractive monthly salary while training towards a nationally recognised qualification with the ITE Traineeship Programme!

Trainees will have an opportunity to work in reputable companies like Sheraton Towers Singapore Hotel, Crowne Plaza Changi Airport, Keppel Shipyard Limited, Sembcorp Marine Ltd, Motor Image Enterprises Pte Ltd, National Dental Centre Singapore, Soup Restaurant Singapore Pte Ltd, Jean Yip Salon Pte Ltd, Murata Electronic Singapore (Pte) Ltd, National Healthcare Group Polyclinics, STAR 360 and more!

Why Choose Traineeship?
• Gain a headstart in your career
• Get full sponsorship of your course fees
• Learn skills in a real-work environment
• Train under qualified and experienced industry professionals
• Receive the same national certificates as full-time ITE graduates
• Enjoy great staff benefits and a monthly salary of $1,100 - $1,600

Traineeship Areas
• Automation
• Automotive
• Beauty & Wellness
• Building Services
• Business & Services
• Design & Media
• Healthcare
• Hospitality
• Infocomm Technology
• Marine Fabrication

What You Need To Know
• Traineeship courses comprise Nitec and Higher Nitec courses across industry sectors
• Students who wish to apply can do so after receiving their GCE ‘N’ or ‘O’ Level results
• The duration of Nitec and Higher Nitec courses ranges from 1 to 2 years
• For updated information on current traineeship courses, please visit www.ite.edu.sg/courses/traineeship-courses

Progression Opportunities
Trainees who successfully complete the programme and meet minimum entry requirements can take up a relevant Higher Nitec, Work-Study Diploma, ITE Technical Diploma, or the Polytechnic Diploma.
What’s school life without CCAs or your squad? At ITE, a vibrant campus life awaits you with loads of exciting activities for you and your squad! If you cannot find anything you like, start your own CCA!
