

**ITE Early Admissions Exercise (2023 Intake)**  
**(For Nitec students progressing to Higher Nitec course)**

**Course-Specific Skills & Qualities**

Applicants who are shortlisted for interview will be assessed through:

- Portfolio of related projects
- Participation in relevant Elective Modules in ITE
- Participation in work attachments, community/volunteer work, school/personal activities/projects, CCAs and competitions related to the course
- Aptitude test (if applicable)

In addition to the above, the specific skills and qualities that the applicant should be able to demonstrate for each course are provided in the following table:

Course	Applicants should be able to demonstrate	
<b>APPLIED &amp; HEALTH SCIENCES</b>		
<i>Higher Nitec in Biotechnology</i>	Interview	<ul style="list-style-type: none"> <li>• Passion for Maths and Sciences</li> <li>• Interest in biological, microbiological and research environment</li> <li>• Passionate to work in a laboratory environment upon graduation</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion in STEM related participation in projects, competition, activities, CCA, work experience</li> </ul>
<i>Higher Nitec in Chemical Technology</i>	Interview	<ul style="list-style-type: none"> <li>• Passion for Maths and Sciences</li> <li>• Interest in chemical analysis testing and research work</li> <li>• Passionate to work in a laboratory environment upon graduation</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion in STEM related participation in projects, competition, activities, CCA, work experience</li> </ul>
<i>Higher Nitec in Paramedic &amp; Emergency Care</i>	Interview	<ul style="list-style-type: none"> <li>• Strong interest in the pre-hospital emergency care as a career</li> <li>• Caring and service-oriented</li> <li>• Understand patient safety is a priority and therefore need to be fit physically, mentally and cognitively in care delivery</li> <li>• Able to work as a team and communicate well</li> <li>• Attributes of being patient, empathetic, responsible, proactive, integrity and trustworthy</li> <li>• A clear understanding of the job demands of a paramedic</li> <li>• Able to overcome own religious beliefs and cultural differences in the provision of care.</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• 1 page essay on what your personal values and beliefs are on the nursing profession</li> <li>• Testimonial from school</li> <li>• Health records which includes immunizations and current medical condition if any</li> </ul> <p>Evidence of ability and interest, such as:</p> <ul style="list-style-type: none"> <li>• Detailed CCA records and involvement related to healthcare, e.g. RCHN &amp; St. John</li> <li>• Other CCA records and involvement</li> <li>• List of Volunteer Positions with Supporting Documentation</li> <li>• Evidence of participation in relevant VIA, e.g. old folk's home, community outreach projects or attachment to hospitals</li> <li>• Relevant CCA award, e.g. EAGLES</li> <li>• Other awards you have received</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• Shortlisted candidates will be assessed for critical thinking skills and problem-solving skills.</li> </ul>

<b>Course</b>	<b>Applicants should be able to demonstrate</b>	
<b>BUSINESS &amp; SERVICES</b>		
<i>Higher Nitec in Accounting</i>	Interview	<ul style="list-style-type: none"> <li>• Awareness of developments in the accounting/business industry</li> <li>• Awareness of trends in technology</li> <li>• Interest in accounting &amp; administrative functions</li> <li>• Service mind-set</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Letters, certificates, awards, testimonials or any evidence that showcase course-related skills and achievements</li> </ul>
<i>Higher Nitec in Beauty &amp; Wellness Management</i>	Interview	<ul style="list-style-type: none"> <li>• Evidence of your interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> <li>• A service-oriented mind set</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Certificates of achievement or course-related awards</li> <li>• Samples of course-related work or any creative work</li> <li>• Evidence of working experience in beauty or service-related jobs</li> <li>• Testimonials from teachers</li> </ul>
<i>Higher Nitec in Early Childhood Education</i>	Interview	<ul style="list-style-type: none"> <li>• Display passion and interest in the Early Childhood course and industry</li> <li>• Display attributes and traits relevant for the Early Childhood course and career</li> <li>• Possess skills relevant for the Early Childhood course and career</li> <li>• Understand an Early Childhood educator's role and responsibilities and job demands</li> <li>• Good communication and critical thinking skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion through participation in projects, competitions, activities, CCA and work experience</li> <li>• Certificates of achievement or course-related awards</li> <li>• Samples of course-related work</li> <li>• Evidence of skills relevant to Early Childhood, and working experience related to Early Childhood / working with children</li> <li>• Testimonials or letters from teachers and/or employer and/or relevant stakeholders</li> </ul>
<i>Higher Nitec in Event Management</i>	Interview	<ul style="list-style-type: none"> <li>• Passion for Events and MICE sector</li> <li>• Able to work in a team with tight deadlines</li> <li>• Initiative and solutions-centred in a fast pace environment</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion through participation in projects, competitions, activities, CCA and work experience</li> </ul>

Course	Applicants should be able to demonstrate	
<b>BUSINESS &amp; SERVICES</b>		
<i>Higher Nitec in Financial Services</i>	Interview	<ul style="list-style-type: none"> <li>• Awareness of developments in the financial sector (banking, general insurance, life insurance, fintech, insurtech, payments)</li> <li>• Evidence of interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> <li>• A service-oriented mind set</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest in the course through participation in competitions, CCA, IA, events or workshops related to financial studies/ literacy</li> <li>• Certificates of achievement or course-related awards</li> <li>• Testimonials from teachers/lecturers, IA supervisor(s)</li> </ul>
<i>Higher Nitec in Human Resource &amp; Administration</i>	Interview	<ul style="list-style-type: none"> <li>• Passion for People Management and Development</li> <li>• Interest in Recruitment and Retention, Performance Management</li> <li>• Have a flair in skills for relationship building</li> <li>• Able to work in a team</li> <li>• Display character traits relevant/suitable to the Human Resource industry</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion through participation in projects, competition, activities, CCA and work experience</li> </ul>
<i>Higher Nitec in International Logistics</i>	Interview	<ul style="list-style-type: none"> <li>• Awareness of development in the logistics industry and trends</li> <li>• Passion for learning in logistics and supply chain management</li> <li>• Course awareness of Freight Forwarding, Warehousing &amp; Distribution and Transport Logistics</li> <li>• Ability to fulfil customers' orders with tight deadlines</li> <li>• Ability to work as a team</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passions through participation in projects, competition, activities, CCA and work experience. Or any letters, certificates, award or any evidence to showcase course-related skills and achievements</li> </ul>
<i>Higher Nitec in Leisure &amp; Travel Operations</i>	Interview	<ul style="list-style-type: none"> <li>• Proper grooming</li> <li>• A service-oriented mind set</li> <li>• A basic understanding of the job demands</li> <li>• An understanding of what the course will cover</li> <li>• An awareness of technology trends in tourism</li> <li>• Evidence of interest in the course and industry</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Certificates of achievement or course-related awards</li> <li>• Testimonials from teachers</li> <li>• Evidence of working experience in tourism or service-related jobs</li> </ul>

Course	Applicants should be able to demonstrate	
<b>BUSINESS &amp; SERVICES</b>		
<i>Higher Nitec in Maritime Business</i>	Interview	<ul style="list-style-type: none"> <li>• Awareness of developments in the maritime sector (types of vessels/equipment and purpose, latest news/developments pertaining to maritime industry, careers)</li> <li>• Evidence of interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> <li>• A service-oriented mind set</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest in the course through participation in competitions, CCA, IA, events or workshops related to maritime studies/literacy</li> <li>• Certificates of achievement or course-related awards</li> <li>• Testimonials from teachers/lecturers, IA supervisor(s)</li> </ul>
<i>Higher Nitec in Passenger Services</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing career in the Transport and Travel Industry</li> <li>• Understand the demands of service industry and have a customer oriented mind-set</li> <li>• Able to work in a team</li> <li>• Display character traits relevant/suitable to the transport and travel industry</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion through participation in projects, competition, activities, CCA and work experience</li> </ul>
<i>Higher Nitec in Retail &amp; Online Business</i>	Interview	<ul style="list-style-type: none"> <li>• Passion for learning and working in retail/e-commerce industry</li> <li>• Course awareness and nature of the retail industry</li> <li>• Ability to articulate career goal and job prospects</li> <li>• Entrepreneurial endeavour</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Certificates of achievement or course-related awards</li> <li>• Evidence of interest in retail/e-commerce business</li> <li>• Evidence of digital/ social media skills</li> <li>• Evidence of working experience in retail or service-related jobs</li> </ul>
<i>Higher Nitec in Service Management</i>	Interview	<ul style="list-style-type: none"> <li>• Evidence of interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> <li>• A service/customer-oriented mind set including service values</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Certificates of achievement or course-related awards</li> <li>• Samples of course-related work or any service/customer-oriented work</li> <li>• Evidence of working experience in service-related jobs</li> <li>• Testimonials from teachers and/or employer</li> </ul>

Course	Applicants should be able to demonstrate	
<b>BUSINESS &amp; SERVICES</b>		
<i>Higher Nitec in Sport Management</i>	Interview	<ul style="list-style-type: none"> <li>• Passion for learning and working in the Sport and Fitness Industry</li> <li>• Articulate what the course covers and basic understanding of the modules</li> <li>• Articulate career prospects in the sports, fitness and wellness industry</li> <li>• General understanding of attributes and job expectations of someone that is to work in the sport and fitness industry</li> <li>• Good communication skills</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCAs transcripts/testimonial and personal development certificates from the Sports &amp; Fitness Industry (such as taking part in National Schools competition, attending workshops/events, Standard Chartered Marathon, etc.) relating to Sports, fitness and wellness</li> <li>• Volunteering in the Sport and Fitness Industry</li> </ul>
<b>DESIGN &amp; MEDIA</b>		
<i>Higher Nitec in Architectural Technology</i>	Interview / Portfolio	<ul style="list-style-type: none"> <li>• Course knowledge</li> <li>• Enthusiasm/ keen interest in the course and selected industry</li> <li>• Involvement in course related activities</li> <li>• Understand job demands</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• 5 to 10 questions on course related skills</li> <li>• Drawing test on visualisation, efforts &amp; details</li> </ul>
<i>Higher Nitec in Filmmaking (Cinematography)</i>	Interview	<ul style="list-style-type: none"> <li>• Evidence of interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Able to show some media related work (e.g. short video clip shot/edited by the student)</li> <li>• Evidence of participation in video related competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> <li>• Relevant CCA transcripts and personal development certificates.</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• Ability to visualize and illustrate an idea based on given scenario</li> <li>• Ability to articulate some knowledge in video shooting and post-production</li> </ul>
<i>Higher Nitec in Interactive Design</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in conceptualizing web designs and development of websites</li> <li>• Interest in how user interacts with and experiences a product, system or service</li> <li>• Passionate to work in a challenging digital environment</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion in STEAM related participation in projects, competition, activities, CCA, work experience</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• Basic creative ideation skills</li> <li>• Basic graphical visualisation skills</li> <li>• Basic analytical skills</li> </ul>

Course	Applicants should be able to demonstrate	
<b>DESIGN &amp; MEDIA</b>		
<i>Higher Nitec</i> in Motion Graphics	Interview	<ul style="list-style-type: none"> <li>• Articulate some knowledge of computer graphics and video post-production</li> <li>• Demonstrate strong interest in broadcasting, film, games or media industries</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Show some media related works</li> <li>• Involved in some media related competition/ events</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• Ability to illustrate an idea</li> <li>• Ability to visualise</li> </ul>
<i>Higher Nitec</i> in Performance Production	Interview	<ul style="list-style-type: none"> <li>• Evidence of interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Able to show past experiences and involvement in performance productions related events</li> <li>• Relevant CCAs testimonials or certification of participation</li> <li>• Other testimonials &amp; Awards certification</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• Has no fear of heights</li> <li>• Show no discomfort in manual labour and physical disability</li> </ul>
<i>Higher Nitec</i> in Visual Effects	Interview	<ul style="list-style-type: none"> <li>• Articulate some knowledge of computer graphics and video post-production</li> <li>• Demonstrate strong interest in broadcasting, film, games or media industries</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Show some media related works</li> <li>• Involved in some media related competition/ events</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• Ability to illustrate an idea</li> <li>• Ability to visualise</li> </ul>
<i>Higher Nitec</i> in Visual Merchandising	Interview / Portfolio	<ul style="list-style-type: none"> <li>• Course knowledge</li> <li>• Enthusiasm/ keen interest in the course and selected industry</li> <li>• Involvement in course related activities</li> <li>• Understand job demand</li> </ul>
	Aptitude Test	<ul style="list-style-type: none"> <li>• 5 to 10 questions on course related skills</li> <li>• Drawing test on visualisation, efforts &amp; details</li> </ul>
<b>ELECTRONICS &amp; INFO-COMM TECHNOLOGY</b>		
<i>Higher Nitec</i> in AI Applications	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in Artificial Intelligence (AI) and/or Data Science industry</li> <li>• Interest in AI and Data Science related developments and news locally and globally</li> <li>• General understanding of attributes and job expectation of an AI and Data Science technician/ associate engineer</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> </ul>

Course	Applicants should be able to demonstrate	
<b>ELECTRONICS &amp; INFO-COMM TECHNOLOGY</b>		
<i>Higher Nitec in Business Information Systems</i>	Interview	<ul style="list-style-type: none"> <li>• Demonstrate evidence of course knowledge</li> <li>• Exhibit keen interest in course and related industry</li> <li>• Involvement in course-related activities inside/outside school</li> <li>• Understanding of job demands that the course entails</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of participation in competitions, events, workshops, other related elective module(s) or work experience in related area.</li> </ul>
<i>Higher Nitec in Cyber &amp; Network Security</i>	Interview	<ul style="list-style-type: none"> <li>• Evidence of passion and interest in the course and industry</li> <li>• Understanding of computers, networking, cyber security and/or programming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Certificates of participation and/or awards in IT-related competitions, events and activities</li> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Certificates of achievement or course-related awards</li> <li>• Evidence of working experience in IT-related jobs</li> <li>• Testimonials from teachers, project or work supervisors</li> </ul>
<i>Higher Nitec in Data Engineering</i>	Interview	<ul style="list-style-type: none"> <li>• Basic mathematical and analytical reasoning</li> <li>• Clear understanding of the job prospects and demands for a data engineer</li> <li>• Attention to details and recognizing patterns among large sets of data</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Participation in competitions, events or workshops related to software programming and data science</li> <li>• Relevant projects that require programming or study and analysis of data related cases</li> </ul>
<i>Higher Nitec in Electronics Engineering</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in the electronics industry with interest in installing, maintaining and repairing electronic devices and systems</li> <li>• Course awareness and nature of the electronics industry</li> <li>• Interest in STEM and technology trends</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and courses/workshop attended</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork.</li> </ul>
<i>Higher Nitec in Immersive Applications &amp; Game</i> 	Interview	<ul style="list-style-type: none"> <li>• Passion in creating or conceptualizing visual designs and/or digital art</li> <li>• Interest in getting hands-on experiences in the Immersive Application &amp; Game Development related activities</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Participation in competitions, events or workshops related to art, design and/or technology</li> <li>• Relevant works such as sketches, or a game/website/application which you have created on your own or as part of a team</li> </ul>

Course	Applicants should be able to demonstrate	
<b>ELECTRONICS &amp; INFO-COMM TECHNOLOGY</b>		
<i>Higher Nitec</i> in IT Applications Development	Interview	<ul style="list-style-type: none"> <li>• Basic mathematical and computational/logical thinking skills</li> <li>• Basic design heuristics for application development</li> <li>• Clear understanding of the job prospects and demands for an software developer</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Participation in competitions, events or workshops related to software programming or web development</li> <li>• Relevant projects that require programming or design/development of websites</li> </ul>
<i>Higher Nitec</i> in IT Systems & Networks	Interview	<ul style="list-style-type: none"> <li>• Passion in following emerging Information Technology trends</li> <li>• Interest in getting hands-on experiences in IT related activities</li> <li>• Passionate to provide IT solutions for users</li> <li>• Demonstrate the know how in problem solving for IT related matters</li> <li>• Demonstrate interest for industry collaboration project</li> <li>• Demonstrate an understanding of the job requirements associated to IT industry</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of participation in IT-related projects, competition, activities, CCA, enrichment courses or previous relevant work experience, internship, industry certification (e.g. letters, certificates, awards, or testimonials)</li> </ul>
<i>Higher Nitec</i> in Security System Integration	Interview	<ul style="list-style-type: none"> <li>• Evidence of your interest in the course and industry</li> <li>• An understanding of what the course will cover</li> <li>• A basic understanding of the job demands</li> <li>• Proper grooming</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion in STEM related participation in projects, competition, activities, CCA, work experience</li> <li>• Testimonials from teachers</li> </ul>
<b>ENGINEERING</b>		
<i>Higher Nitec</i> in Automotive Engineering	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in the land transport sector. This may cover industries / roles like fleet operators, workshops providing service, maintenance, repair &amp; overhaul services, other related roles like customer service, operations planning, logistics, etc.</li> <li>• Ready to work 5.5 or 6-days a week and in non-air-conditioned environment</li> <li>• Interest in automotive related developments and news locally and globally</li> <li>• Service oriented mind set</li> <li>• Systematic approach to problem solving</li> <li>• General understanding of attributes and job expectations of the candidate's desired job role</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Certificates of achievement or course-related awards</li> <li>• Evidence of working experience in automobile related or other engineering service-related jobs</li> <li>• Testimonials from teachers / lecturers</li> </ul>

<b>Course</b>	<b>Applicants should be able to demonstrate</b>	
<b>ENGINEERING</b>		
<i>Higher Nitec in Civil &amp; Structural Engineering Design</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in Building &amp; Construction Industry</li> <li>• General understanding of course structure and content</li> <li>• General understanding of attributes and job expectation of jobs after graduation</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> </ul>
<i>Higher Nitec in Electrical Engineering</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in Electrical engineering, or further upgrading in the polytechnics in the same field</li> <li>• Able to demonstrate strong interest and passion relating to the field of clean and sustainable energy and resources and other related Electrical Engineering industries</li> <li>• A basic understanding of the job scope and demands</li> <li>• A basic understanding of what the course will covers</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of participation in course-related field competitions or enrichment activities, of past achievements/experiences and/or of leadership and teamwork</li> <li>• Evidence of past working experience or industrial attachment in the relevant Electrical industry</li> <li>• Relevant CCA transcripts and personal development certificates</li> </ul>
<i>Higher Nitec in Engineering with Business</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in Technology with business industry</li> <li>• Interest mechanical engineering design and operations, machine operations and maintenance, quality assurance, process improvements and productivity innovation</li> <li>• General understanding of business fundamentals and concepts relevant to technical marketing, purchasing, logistics, sales and services</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> </ul>
<i>Higher Nitec in Facility Management</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in built environment and in application of smart building system</li> <li>• Interest in smart building related developments and news locally and globally</li> <li>• General understanding of attributes and job expectation of a building facility technician</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal achievement certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/ experiences and/ or of leadership and teamwork</li> </ul>

Course	Applicants should be able to demonstrate	
<b>ENGINEERING</b>		
<i>Higher Nitec</i> in Integrated Mechanical & Electrical Design	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in Building &amp; Construction Industry</li> <li>• General understanding of course structure and content</li> <li>• General understanding of attributes and job expectation of jobs after graduation</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> </ul>
<i>Higher Nitec</i> in Landscape Management & Design	Interview	<ul style="list-style-type: none"> <li>• Passion for learning and working in the Landscape industry</li> <li>• Landscape course awareness</li> <li>• Ability to articulate career goal and job prospects</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest in Landscape e.g. attending Landscape courses/ workshops</li> <li>• Landscape course related activities e.g. work experience, work testimonial &amp; competition awards, CCAs, MOE Cat A electives</li> </ul>
<i>Higher Nitec</i> in Marine & Offshore Technology	Interview	<ul style="list-style-type: none"> <li>• Understanding of the course content and its relatedness to the job expectation</li> <li>• Passion in pursuing a career in marine industry</li> <li>• Interest in marine related developments and news locally and globally</li> <li>• Involvement in activities related to marine industry</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> <li>• Letters, certificates, awards, testimonials or any evidence that showcase qualities related to the course</li> </ul>
<i>Higher Nitec</i> in Marine Engineering	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in marine and offshore Industry</li> <li>• General understanding of the working environment and job expectation of the marine and offshore industry (e.g. shipyards)</li> <li>• General understanding of course structure and content (especially the 6-month Industry Attachment module)</li> <li>• General understanding of attributes and job expectation of jobs after graduation in the industry</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in related field competitions or activities, of past achievements/experiences and/or of leadership and teamwork</li> </ul>
<i>Higher Nitec</i> in Mechanical Engineering	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in Mechanical Engineering</li> <li>• Interest in mechanical engineering related design and operations, machine operations and maintenance, quality assurance, process improvements and productivity innovation</li> <li>• Keen interest in maintenance and repair work</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Relevant CCA transcripts and personal development certificates</li> <li>• Evidence of participation in science/technology related field competitions or activities, achievements/experiences and/or leadership and teamwork</li> </ul>

Course	Applicants should be able to demonstrate	
<b>ENGINEERING</b>		
<i>Higher Nitec in Mechatronics Engineering</i>	Interview	<ul style="list-style-type: none"> <li>• Passion in pursuing a career in automation and robotics industry</li> <li>• Interest in automation and robotics related developments and news locally and globally</li> <li>• General understanding of attributes and job expectation of an automation and robotics technician</li> </ul>
	Portfolio	<ul style="list-style-type: none"> <li>• Evidence of interest and passion in STEM related participation in projects, competition, activities, CCA, work experience, testimonials</li> </ul>
<i>Higher Nitec in Offshore &amp; Marine Engineering Design</i>	Interview	<ul style="list-style-type: none"> <li>• Understanding of the course content and its relatedness to the job expectation</li> <li>• Passion in pursuing a career in marine industry</li> <li>• Interest in marine related developments and news locally and globally</li> <li>• Involvement in activities related to marine industry</li> </ul>
