

FULL-TIME 3-YEAR *HIGHER NITEC* / 2-YEAR *NITEC* COURSES AND ENTRY REQUIREMENTS FOR JIE ‘N’

Starting with selected courses in Academic Year 2022, ITE will offer a new curricular structure that will allow students to directly graduate with a *Higher Nitec* qualification after three years of training, instead of the current four years. The new 3-year *Higher Nitec* courses are open to graduating students with GCE 'N' Level and GCE 'O' Level qualifications.

Under JIE ‘N’, applicants may choose up to a maximum of 12 choices, which can include 3-year *Higher Nitec* courses together with 2-year *Nitec* courses in the same application. Each choice will comprise the course and College, e.g. *Nitec* in Retail Services course conducted at ITE College East and *Nitec* in Retail Services course conducted at ITE College West are taken as 2 choices. *Higher Nitec* in Accounting (3 years) course conducted at ITE College Central and *Nitec* in Business Services course conducted at ITE College Central are also taken as 2 choices.

The “2021 JIE ‘N’ ITE Aggregate Point” in the table below shows the ITE aggregate score of the lowest ranked students who were admitted to these courses through the 2021 JIE ‘N’, based on **best 4 GCE ‘N’ subjects including pre-requisites and bonus points**. These aggregate scores are meant as a reference for applicants applying to these courses and **do not** constitute the admission points for subsequent admission exercises.
