### ITE Students Shine at WorldSkills Singapore 2025

Over 60 ITE students showcased their talents at the biennial [WorldSkills Singapore \(WSS\) 2025](#) competition, held from 3 to 5 April at the Sands Expo & Convention Centre. Competing in 25 of 26 skill areas against Singapore's top youth talents, our students impressed judges with their passion, skill and perseverance.

The competition marked the culmination of months of intensive training, dedication, and focus. From CNC milling to logistics operations, rapid transit systems, and more, ITE students rose to every challenge, supported by the [unwavering guidance of their coaches and mentors](#). Their hard work paid off with outstanding results: **one Gold, one Silver, three Bronze medals, and three Medallions for Excellence**.

Dr Maliki Osman, Second Minister for Education, officiated the Closing Ceremony and presented medals to the winners. The top medallists will represent Singapore at the WorldSkills ASEAN Competition in Manila, Philippines, this August, with the opportunity to advance to compete at the 48th WorldSkills Competition in Shanghai, China, in September 2026.

ITE congratulates all participating students for their hard work and resilience. Whether they returned with a medal or gained invaluable experience, they have exemplified the spirit of excellence and made us #ITEProud.

Watch [video](#) to hear what some of our students had to say about their WSS journey and how the experience has shaped their learning and growth.
