### **About ITE Dance Emblazon**

Emblazon is ITE's annual dance concert that features the best dance talents from all three Colleges. In its sixth year, this much-anticipated concert aims to entertain, inform and inspire with various new definitions of Hip Hop, Kpop, Malay Dance, Modern Contemporary and BBoy, performed by 12 dance groups. This year, 14 new and original pieces will be presented, interpreting the theme of '*Perspectives*'. With state-of-the-art technical capabilities of the Auditorium and renowned designers and choreographers, and produced by CEMTA, Emblazon promises to be a magical evening to remember.

Emblazon is also a living classroom for our students. Production/stage management will be done by the students from the *Higher Nitec* in Performance Production course, the photography and marketing collateral designs are done by students from the *Nitec* in Visual Communication course, while students from the *Higher Nitec* in Filmmaking (Cinematography) course produce the trailers and videos for the concert.

The Artistic Director for Emblazon is Mr Zaini Tahir, renowned dance educator and choreographer, and Head, Arts Development, at ITE Centre for Music and the Arts. Last seen as the Chief Choreographer for NDP 2018, Zaini will be choreographing the Opening and the Finale, performed by the full cast of over 300 dancers in this 120-minute concert which includes a 15-minute interval.
