ITE Traineeship

YOUR PATHWAY TO SUCCESS
What is Traineeship?

Do you learn better and faster through work-study experience? Do you prefer to be working instead of being in a classroom all the time? A traineeship pathway may be the option for you!

A fulfilling 2-year Earn-as-You-Learn programme

Designed for GCE 'N' and 'O' Levels graduates to pursue nationally-recognised Nitec and Higher Nitec qualifications through hands-on training

Pick up actual On-the-Job competencies under the guidance of qualified supervisors at company

Acquire theory and practical knowledge from ITE or at an ITE Approved Training Centre

WHY CHOOSE TRAINEESHIP?

- Receive a full sponsorship of your course fees
- Gain a headstart in your career
- Receive the same National ITE Certificate as full-time ITE graduates
- Accumulate relevant working experience
- Receive salaries, CPF and enjoy employee benefits

Gain a headstart in your career

Accumulate relevant working experience

Receive the same National ITE Certificate as full-time ITE graduates

Receive salaries, CPF and enjoy employee benefits

Receive a full sponsorship of your course fees
Thanks to this Traineeship programme and my company, I was able to learn actual work skills and also merits and faults about myself, which helped me become a better person.

Compared to graduates from full-time studies, I have a career head start and I felt more prepared for related job roles!

I chose to join Traineeship programme as I work and learn better hands-on. It also exposed me to the real working environment so that I could be more ready and prepared for the workforce.

The experience so far is certainly an eye opener!

Besides picking up skills and knowledge outside of school, my job experience definitely gives me an upper hand in the future.

Traineeship allows me to study, learn and accumulate skills beyond the 2 years of training.

Through this Traineeship programme, I become more independent and am now better at managing time and multi-tasking. Not only that, I also learnt to control my finances when I receive my monthly salary.

While it is tough to work and study at the same time, I feel more confident as I take on more responsibilities in my job and show others my potential!
Curious about what you can do after graduating from Traineeship? Planning ahead for further studies and want to find out all the available options?

ITE offers Diploma courses to further deepen your skills and knowledge through Learning-by-Doing, so that you can continue to progress in your career and seek nationally-recognised Diploma qualifications. Our Diploma programmes are open to Nitec and Higher Nitec graduates.

- Career advancement and wage progression based on performance
- Deepened skillsets
- Placement into good companies

Start!

GCE 'N' and 'O' Levels
Nitec graduates with at least GPA 2.0 can apply for the Work-Study Diploma programme.

Nitec in Mechatronics & Robotics

WHY THIS COURSE?

• You like to play with motor parts and carry out troubleshooting and testing of electrical and electronic systems. You are interested to learn about predictive maintenance.

• You aspire to make a difference to manufacturing processes and want to be part of the evolutionary Industry 4.0 in the future.

• Singapore planned to roll out driverless car/buses on the road by 2020. If you are amazed with autonomous machines such as automated guided vehicles, driverless cars/buses and robots, this course will lay the foundation for you!

POTENTIAL SPONSORING COMPANIES

• Manufacturing companies
• Automation and servicing companies
• Machining and fabrication workshops

ESTIMATED SALARY RANGE

$1,100 - $1,400

WHO CAN APPLY?

Singapore Citizens or Permanent Residents with:
GCE ‘O’ Level grades in any 2 subjects (Grade 1 – 8)
or
GCE ‘N’ Level passes in Mathematics or Science* and 2 other subjects (Grade A – D or 1 – 5)

*Mobile Robotics and Smart Electrical Technology subjects can be used in lieu of Science for admission to this Nitec course.

*Applicants for this course must ensure that they are free from colour appreciation deficiency.

UPON GRADUATION, BE EMPLOYED AS

• Automation Technician
• Automated Equipment Maintenance Technician
• Mechatronics Technician

For general enquiries on the course, Contact: Lieu_Jing_Ying@ite.edu.sg or 6590 2480
**Nitec in Automotive Technology**

**WHY THIS COURSE?**
- You love vehicles.
- You like to tinker with and repair motor systems.

**POTENTIAL SPONSORING COMPANIES**
- Fleet maintenance workshops
- Public transport companies
- Distributors of passenger and commercial vehicles
- Service garages
- Franchised motor dealers
- Vehicle inspection centres
- Government agencies

**ESTIMATED SALARY RANGE**
$1,200 - $1,500

**WHO CAN APPLY?**
Singapore Citizens or Permanent Residents who have completed GCE ‘N’ or GCE ‘O’ Level

*This course is also offered as Nitec in Automotive Technology (Light Vehicles) at ITE Approved Training Centre.

---

**Nitec in Motorcycle Technology**

**WHY THIS COURSE?**
- You love motorcycles.
- You like to tinker with and repair motor systems.

**POTENTIAL SPONSORING COMPANIES**
- Motorcycle dealers
- Service garages

**ESTIMATED SALARY RANGE**
$1,200 - $1,400

**WHO CAN APPLY?**

*Applicants for this course must ensure that they are free from colour appreciation deficiency

---

For general enquiries on the course, Contact: Samuel_Gan@ite.edu.sg or 6590 2438
WHY THIS COURSE?

• You love vehicles and are a fan of cars.
• You are inquisitive and want to acquire deep knowledge about various automotive technologies.
• Singapore sees a spike in electric and hybrid transportation options. You want to know about how electric and hybrid vehicles work in comparison to the traditional combustible engine cars.
• You like to tinker with and repair motor systems.

POTENTIAL SPONSORING COMPANIES

• Motorcycle dealers
• Service garages

WHO CAN APPLY?

Graduates from related Nitec feeder courses. Please refer to ITE website for the list of courses.

ESTIMATED SALARY RANGE

$1,400 - $2000

UPON GRADUATION, BE EMPLOYED AS

• Senior Technician
• Team Leader
• Senior Vehicle Inspector

For general enquiries on the course, Contact: Samuel_Gan@ite.edu.sg or 6590 2438
WHY THIS COURSE?

• You are creative and artistic.
• You prefer to meet and work with fascinating people.
• You want to help people look and feel good.
• You are always on the lookout for the latest beauty products and services.
• You want to be an entrepreneur of your own in the hair & beauty industry after graduation.

WHO CAN APPLY?

Singapore Citizens or Permanent Residents who have completed GCE ‘N’ or GCE ‘O’ Level

ESTIMATED SALARY RANGE

$1,100 - $1,200

UPON GRADUATION, BE EMPLOYED AS

• Beautician
• Beauty Therapist
• Beauty Consultant
• Make-up Artist
• Manicurist and Pedicurist

POTENTIAL SPONSORING COMPANIES

• Beauty salons
• Nail salons
Nitec in Hair Fashion & Design

WHY THIS COURSE?
• You are creative and artistic.
• You enjoy meeting and working with fascinating people.
• You want to help people look and feel good.
• You want to be a hair stylist.

ESTIMATED SALARY RANGE
$1,100 - $1,200

WHO CAN APPLY?
Singapore Citizens or Permanent Residents who have completed GCE ‘N’ or GCE ‘O’ Level

POTENTIAL SPONSORING COMPANIES
Hair salons

UPON GRADUATION, BE EMPLOYED AS
• Junior Hairdresser
• Junior Stylist
• Hair Stylist
• Hair Colourist

For general enquiries on the course, Contact: Mimi_S_H_Bek@ite.edu.sg or 6590 2549
BUILDING SERVICES

Companies providing building management and maintenance services to private residences, offices, hotels, airports and integrated resorts.
