

# Professional Courses Leading to Industry Accreditation

## Funding

(SkillsConnect Course ID: CRS-N-0042018)

Company-sponsored Singapore Citizens (SCs) and Permanent Residents (PRs) are eligible for funding support at \$2 per training hour.

Applications for training grants should be made in the SkillsConnect system at <http://www.skillsconnect.gov.sg>

For assistance on the use of SkillsConnect, you may contact SkillsFuture Singapore (SSG) directly at Tel: 6785 5785 or through the Feedback portal: <https://portal.ssg-wsg.gov.sg/feedback>

## Registration & Payment

- Apply through post or at the Customer & Visitor Centres (CVC) @ any of the 3 ITE Colleges
- Submit the application form and supporting document(s) on educational certificate(s). Bring along your NRIC or valid Work Pass for verification.

Payment is required for confirmation of training place. Crossed cheque must be made payable to ITE. Please write your name, NRIC/FIN, Course Title and contact number on the reverse side of the cheque.

**Closing date:** 2 weeks before course start date or when the class is full.

## Withdrawal & Deferment

Withdrawal or deferment notice must be made in writing :

- 2 weeks or more before course start date - Full refund
- Less than 2 weeks before course start date - 50% refund
- On or after course start date - No refund

In the event that the course is cancelled due to unforeseen circumstances, full refund will be given.

# Joint ITE-SCDF Certificate in Fire Safety Manager Course

## Objective

Participants will be trained in fire safety requirements & management measures to prepare them for the role of a fire safety manager. Upon successful completion of the course, participants will receive the Joint ITE-SCDF Certificate in Fire Safety Manager Course. Holders of the certificate are eligible to register with SCDF as a Fire Safety Manager.

## For Whom

Those who are planning to register with SCDF as a certified Fire Safety Manager.

## Entry Requirement

*Please see reverse page*

## Content

- Fire Safety Management
- Roles and Responsibilities of Fire Safety Manager
- Fire Fighting & Protection Systems and Maintenance
- Fire Safety Act and Regulations

## Certification

Participants will receive the certificate upon successful passing of both theory & practical components and satisfying the 80% attendance criteria.
